Bike Ed

In week 7 the year 4 students from Mr Brandon’s class attended the Bike Ed program at the PCYC facility. The students had lots of fun riding around the street course practising the skills they had been taught. This program provides students with the opportunity to learn skills and gain knowledge that will keep them safe on our roads when riding their bikes. In fact much of the knowledge and skills will also apply in years to come when they are learning to drive a car on the road.

Unfortunately bad weather caused the cancellation of the course for the 4M class, however this will be rescheduled in term 3, so they don’t miss out.

A big thanks to all students who attended the course for displaying exceptional behaviour.

Mr Brandon

Are You Missing a Lunch Box?

There is a trolley full of unclaimed lunch boxes and water bottles, in the undercover area. These will be disposed of by the end of the day on the last day of this term. Please check if any of them belong to you before then!
