

# Academic, Sporting & Cultural Student Representation Policy

## **Bucasia State School Parents & Citizens Association Student Representation Policy**

Bucasia State School Parents & Citizens Association, at its discretion, offers financial support to its students who participate at a state & national level at approved events (approved events are those that require qualification to attend and are at the discretion of the school principal & P&C Executive Committee) upon written request to the Association.

This policy is designed to recognise and support students' achievements. To qualify for support, students must meet the following criteria:

The competition/event must have had some qualification for entry beyond nomination, i.e., it is not sufficient to enter a state-wide competition if there have been no regional qualification rounds.

Additionally, the competition/event must be either held outside the Mackay & Whitsundays region (more than 250km). This is because the P&C subsidy is not designed to reward the student for achieving a state/national level performance, but to mitigate the cost involved of competing/attending a competition outside the local area.

1. Students must have participated in events at a Qld State or state school event or eligible Australian National or National School event. Their representation must have been reached through their initial selection at a local/regional event.
2. Students may receive a maximum of \$400 in support in a 12-month period. And may not apply for more than one grant at each level in the school year.

The following levels of assistance will apply for individuals:

State	\$150.00
National	\$250.00

3. The attached application form must be completed by the parent/caregiver and signed by the Principal/Head of Department, verifying that the student is participating in an approved activity.
4. Please submit proof of attendance at each representation event.
