Licensed by Bucasia State School P&C and an approved service under the Education and Care Services National Law Act 2010 and National Regulation 2011 and is regulated by the Queensland Department of Education and Training – Early Childhood Education and Care.

We are honoured to acknowledge our Elders, past, present, and emerging. They have walked this land with us, and before us: today, yesterday and generations long ago. They have lived lives of courage, strength, and determination. We recognise their legacy, that each of us now carries. We recognise the path that their footsteps have carved for us. We acknowledge the trust that has been placed in us to continue this journey. We do all of this with respect and understanding.

A welcome note from the Operations Manager

On behalf of our team, I would like to welcome you and your family to Bucasia OSHC. By selecting us as your Outside School Hours Care provider, you have chosen a service that is affordable and of high quality.

The Bucasia OSHC philosophy is as follows:

- Our service believes that children and families are the cornerstone of our community.
- Children have the right to belong in safe, secure environments where they can develop a strong sense of identity.
- We believe in fair and inclusive practices that support culture, individuality, and diversity.
- We promote language rich educational environments, with a variety of experiences that engage children in their own learning.
- The holistic development of children is enhanced as their needs and interests are responded to positively.
- We advocate strongly for the co-participation of children, families, educators, coordinator, and members of the wider community to prepare children for their future in society.
- We endeavour to build strong relationships with all stakeholders and act as a role model to promote sustainability and an awareness of environmentally friendly practices.
- Together we believe we can make a difference as we continue to uphold and encourage our children and their families.

We look forward to sharing this journey with you. Please do not hesitate to contact our Bucasia OSHC Coordinator Amanda Hunt if you have any questions relating to the care of your child.

Operations Manager / Administration, Bucasia Outside School Hours Care

What is Outside School Hours Care (OSHC)

- ❖ Outside School Hours Care (OSHC) is an approved form of childcare that is provided for school-aged children during outside of school hours, including before school, after school care, and vacation care.
- ❖ OSHC operates under the same National Quality Framework (NQF) as all other centre-based and family day care childcare services. However, rather than being in a centre or family day care setting, education and care at Bucasia OSHC is provided onsite at Bucasia State School. This setting provides a familiar, safe, and secure learning environment in which school age children can thrive. Parents are eligible for the same childcare subsidies.
- ❖ Families can be made up of different members, including Grandparents, Adoptive Parents, Foster Parents, Guardians, to name a few. As you read through this Family Handbook, where 'family' is written, this is in reference every family unit that makes up our OSHC family. Each family is important to our team.
- ❖ Bucasia OSHC is operated by the Bucasia State School P&C Executive Committee. The P&C Executive Committee is led by the President, who is also named the Nominated Supervisor of the service. Also included on the Executive Committee are the Secretary, Treasurer and Operations Manager. Families are kept informed of the current contact details of the chair of the management committee through the parent handbook, newsletters or are otherwise available on request.

Our Mission

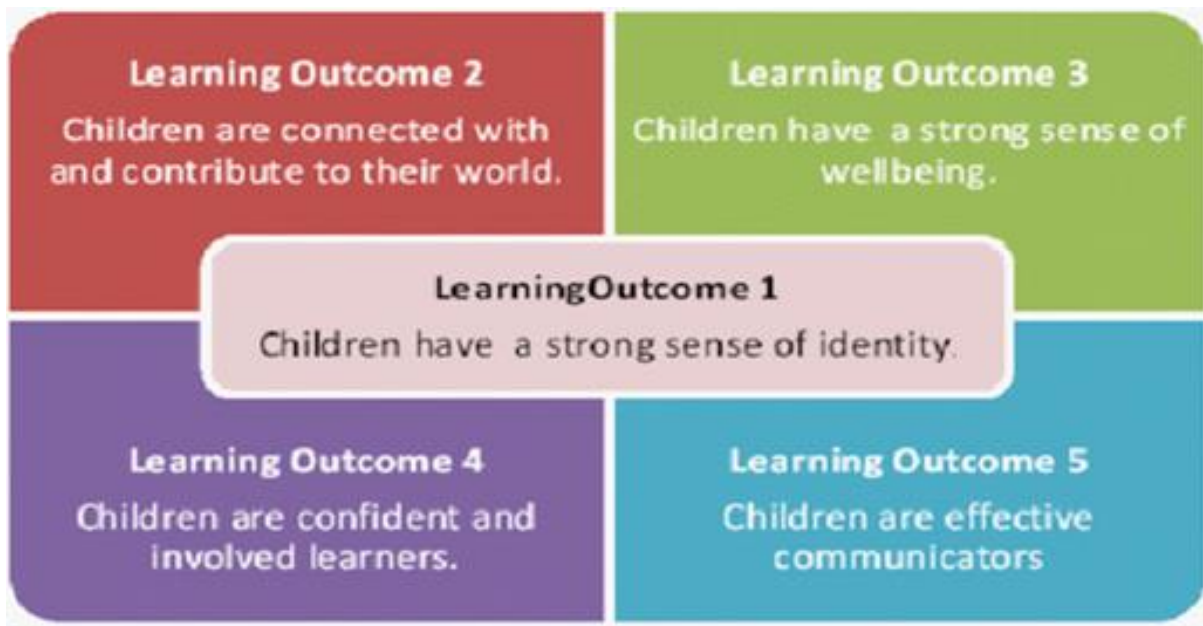

- ❖ To provide school aged children with child-centered, play-based learning experiences and develop life skills in a safe, welcoming and an accepting environment.

Policies and Procedures

- ❖ The Bucasia OSHC has an extensive Policy and Procedure manual which reflects the philosophies and values of our service. The Policy and Procedure Manual is available manual for you to read upon request, the document must not leave the service.

Program Planning

- ❖ The current weekly program is permanently posted on the Parent Notice Board.
- ❖ Our programs include all the interactions, experiences, activities, routines, and events, planned and unplanned, that occur on a day-to-day basis. Our aim is to work collaboratively with the children to provide play, activities and experiences that are meaningful to them.
- ❖ We aim to support their well-being, learning and development in an environment that allows them time and space to explore, discover, build relationships, solve problems, create, construct, improvise and imagine.
- ❖ There will be a variety of activities and experiences planned for each day of Before, After School and Vacation Care (e.g., cooking; painting; clay work; crafts; music; outdoor activities). Opportunities for unstructured and quiet play are also provided, including areas for children to withdraw from all activities. Planned activities are also designed to reflect the culturally diverse nature of our community.
- ❖ If you have any questions or concerns with any aspect of the program, the Co-Ordinator is more than happy to discuss them with you at any time. We also use surveys periodically to ask for families input and feedback on the program.
- ❖ We at Bucasia OSHC feel it is valuable for children to feel part of a wider community that extends beyond the learning environment. To support this, we invite members of the community to come in and work with or share information with our children. Some of these experiences include sporting and physical activities, art workshops, magic classes etc.

Priority of Access

- ❖ Bucasia OSHC will ensure that parents and children have access to quality childcare that is appropriate to their needs, regardless of income, social, religious, or cultural background, gender or abilities. Prep children can commence care from the first day of the year they are to attend Prep.
- ❖ If demand for places provided at Bucasia OSHC exceeds those available, priority of access will be given based on guidelines by the Department of Education, Employment and Workplace Relations.

First Priority will be given to a child at risk of serious abuse or harm.

Second Priority will be given to a child of a single parent who satisfies, or have parents who both satisfy, the work/ training/ study test under section 14 of the Family Assistance Act 1999

Third Priority will be given to any other child.

- ❖ If your child is in the third priority group within these guidelines, you may be required to relinquish your place to a child in a first or second priority group. You will be given 14 days' notice to examine care options for your child. Your child will then be placed on a waiting list and be re-entered into the program when a place becomes available.
- ❖ When all permanent bookings are filled, a waiting list will be created, and enrolments taken in the order they are received.

- ❖ Families are required to complete an enrolment form before your child is to attend Bucasia OSHC. **It takes 48 hours to process the enrolment pack before your child can attend the service.** All enrolments are to be kept up to date and the Co-Ordinator is to be notified immediately of any changes and forms must be updated. An Update of Family Details form is available on request.
- ❖ You are welcome to a tour of our Outside School Hours Care environment upon request and will be provided with information about Educators and programming.
- ❖ Bucasia OSHC welcomes children and families with additional needs. If your child has additional needs, a meeting will take place to discuss any concerns or requirements before your child commences. This will assist us in ensuring that we will be able to meet the needs of your child. In some instances, the number of children with additional needs already in attendance at the service may affect our ability to accept your child.
- ❖ All information obtained through the enrolment process will be kept in the strictest confidence.
- ❖ Where there are court orders or other legal documentation pertaining to custody and or protection of the child a current copy of these court orders/documents **must** be provided. Without having a physical copy these documents, we are unable to uphold them.

Whilst every care will be taken to prevent a child being taken by an unauthorised person, there may be instances in which we cannot prevent this from happening. Our educators cannot expose themselves or the other children to an unacceptable risk of personal harm. If a child is taken the police will be called immediately.

Before School Care and Vacation Care Start Time

- ❖ Bucasia OSHC opens at 6.30am. It is of the utmost importance that the parent/ guardian sign in their children each day using iCheckin.

Children cannot be left outside the service on their own at any time.

- ❖ The service opens at 6.30am and it is a legal requirement that all children are signed in by the parent/guardian no earlier than this time. Bucasia OSHC will keep the doors closed until the opening time of 6:30am. Thank you for your cooperation.

Bucasia OSHC will not be responsible for children once they have been released to attend the activities. Educators will not be available to escort children to these activities due to Educator/Child ratios.
- ❖ After school care concludes at 6pm sharp. **Parents/Caregivers who fail to collect their child by 6:00pm will attract a late fee of \$5/minute, this late fee will be added to your account.**
- ❖ For any person other than those stated on the enrolment form to collect children from the service, prior arrangements must be made in writing with the Co-Ordinator. Please advise persons collecting children that they will be required to provide proof of identity (Photo ID), in emergencies arrangements can be made.
- ❖ It is important that a parents inform a member of staff if they are taking a child home from school instead of using the service. This is to ensure the duty of care is passed over to the parent. Parents/guardians must notify the service if a child is not attending on their booked day. *This is a serious safety issue* as Educators will look for missing children. Booked days must be paid for if you do not adhere to the cancellation policy.

Vacation Care

- ❖ Vacation Care arrival time and guidelines are the same as Before School Care and can be found on the previous page.
- ❖ Please note that vacation care bookings are to be made at least 1 week before vacation care is due to start. Bucasia OSHC is closed for 2 weeks over Christmas every year; the Co-Ordinator will advise dates during the last term of the school year.
- ❖ During Vacation Care we ask that children wear comfortable clothing which will enable them to participate in activities. Clothing may get dirty during sport or craft activities, so if you have a child who may possibly need more than one change throughout the day, could you please pack them extra. Please ensure that clothing is sun safe – sleeved shirts, closed in shoes and hat. Please label clothing.
- ❖ Please name all clothing clearly as staff cannot take time away from other children to look for missing clothing/accessories.
- ❖ For safety, please do not send your children wearing jewelry. During activities, this may become caught and cause an accident or injury. It may also become misplaced.
- ❖ Children are provided breakfast, morning, and afternoon tea. Families need to provide a packed lunch.
- ❖ During any excursions or Incursions (special onsite activities). All required Educator/Child ratios will be adhered to. Parents/Caregivers will be notified in advance of any Excursions/Incursion that are taking place.
- ❖ After school care concludes at 6pm sharp. **Parents/Caregivers who fail to collect their child by 6:00pm will attract a late fee of \$5/minute, this late fee will be added to your account.**

Please advise persons collecting children that they will be required to provide proof of identity (Photo ID), in emergencies arrangements can be made.
- ❖ It is important an Educator is informed when collecting your child and leaving care. This is to ensure the duty of care is passed over to the parent/guardian.

Bookings

- ❖ At Bucasia OSHC we attempt to cater to all families with regards to days needed for care.
- ❖ We understand some families are unable to predict their required days and we will try to accommodate this. Due to Educator ratios and the number of places available, there may be days that we will have to refuse bookings. **It is also available to read at the service on request.**
- ❖ All booked days are required to be paid for, even when your child is unable to attend.

How do I book?

- ❖ Bookings are made using the Kidsoft iParentPortal. Kidsoft have a free app that can be downloaded on any Smartphone.

Cancellation Policy

- ❖ Bucasia OSHC has a 7-day cancellation policy. Bookings that need to be cancelled/changed will still attract the normal session fee unless one week's notice has been received by the Service in writing. Families must inform Bucasia OSHC of any absences especially for After School Care to prevent staff trying to find your child in the school.

❖ **Fees and Charges (before Australian Government Child Care Subsidies)** effective 01/07/23

Payment of Fees

- ❖ It is our aim to provide a quality service at an affordable price. Fees are reviewed by the Management Committee and families will be given a minimum of two weeks' notice of any changes in fees.
- ❖ Customer Account Statements are issued weekly, and payments are made using iDebitPro on Kidsoft. Payments and Direct Debit schedules can be organised on iDebitPro, or parents can use the DDR form attached to the Enrolment Form. Parents have the option of making variable or fixed amount payments. We recommend a variable amount, so you pay for the care you receive, when you receive it. The frequency of payments can be chosen to align with your own financial needs.
- ❖ Receipts can be issued on request.
- ❖ If no schedule has been organised, fees outstanding for more than 2 weeks or over \$250 will result in enrolment being suspended until fees are cleared. Your child will then go onto the waiting list, re-attending the service when a place becomes available.
- ❖ Contact the service at Bucasia_Bookkeeping@outlook.com to discuss the any financial concerns or questions.
- ❖ A debt collection agency may be appointed to recover outstanding money.

Child Care Subsidy (CCS)

- ❖ The Child Care Subsidy (CCS) is a payment made to the service on behalf of eligible families to assist with the cost of care. Families are required to pay the gap between the service fee and the subsidy paid to the service.
- ❖ It is the family's responsibility to contact Centrelink to ensure their eligibility for CCS which requires an income and activity test. Centrelink Reference Numbers (CRN) and birth dates are requested through the enrolment process. Please ensure you have access to the MyGov app or MyGov website so you can check and/or approve your CCS eligibility.
- ❖ On a weekly basis, our service submits online attendance records for each child. Child Care Subsidy calculations are made based on family eligibility details and attendance information as reported by the service. Child Care Subsidies are paid directly to the service and are itemised on the family account.
- ❖ In some circumstances, CCS may be paid directly to you, the parent/ guardian, instead of the service. It is your responsibility to use this to pay for the service you have used.

Late Collection Fee

- ❖ We ask for your cooperation by collecting your child by 6.00pm. Late pick-ups can be upsetting for any child and stressful for staff. If there is an emergency and you are unable to collect your child on time, please contact the service.
- ❖ If your child is not collected on time, a **late fee of \$5/minute** will apply.
- ❖ The correct time will be recorded on the sign out sheet (if necessary, the time will be confirmed by calling 1902 212 582 – Time Information Service).
- ❖ If a child is not collected by 6.30pm after every endeavor has been made to contact parent/guardian and other emergency contacts, the police will be contacted. Any associated costs will be the responsibility of the family.
- ❖ If you wish to talk to our Educators or catch up with other families, please make sure that you do this at an appropriate time. Fees will be charged if it means that Educators are required to remain on site after 6.00pm for these reasons. Please appreciate that we also have families and lateness is inconvenient for all involved.
- ❖ The service opens at 6.30am and it is a legal requirement that all children are signed in by the parent/guardian no earlier than this time. Bucasia OSHC will keep the doors closed until the opening time of 6:30am. Thank you for your cooperation.

Nominated Pick-Up Person/s

- ❖ All nominated pick up persons for children must be named on the enrolment form. They must be over 16 years of age (with consent from parent/guardian) and will need to produce photo ID when first picking up the child.
- ❖ An email to the Co-Ordinator to nominate a person to pick up your child who is not on your enrolment form is required; this person will need to show photo identification to staff when collecting children.

Personal Items

❖ We understand that children enjoy bringing personal items from home to use at the service, particularly toys, electronic games and/or mobile phones etc. however we do not encourage this as things can be broken or misplaced. The Coordinator/ Educators must be made aware that children have these items, and they should be clearly named with permanent identification.

❖ Limits will be placed on children's access to electronic devices.

❖ Whilst every care is exercised, the service assumes no responsibility for damage or loss to any item belonging to any person. Educators cannot take time away from other children to look for misplaced items.

Photos

- ❖ On occasions your child may be photographed whilst participating in day-to-day activities. Bucasia OSHC encourages the appropriate use of photographic and video images of children attending the service to support and promote their involvement in programs and activities.
- ❖ Please sign the attached form if you **do not** wish for your child's image to be used for social media and Advertising purposes, to be used in the Newsletters or to be on display at OSHC.

Cultural diversity

- ❖ Bucasia OSHC Educators strive to enhance children's awareness of, and respect for, cultural similarities and differences, and instil in children pride in their cultural heritage.
- ❖ Bucasia OSHC supports the principles of equity through implementing inclusive and anti-bias practices. Our common aim equal opportunities are:
 - To achieve equal relations between nationalities, races, religions, genders, and special needs
 - To nurture each child's ability to stand up for him/herself and for others and act to promote equity and justice
 - To develop programs which support the goals of an anti-bias service
 - For each child to be able to recognise and challenge bias
 - To regularly assess the physical environment for inclusivity and to make changes in the environment where appropriate.

Behaviour Code

- ❖ Educators provide a positive guidance approach to behaviour, which builds children's confidence and self-esteem and is based on the development of caring, equitable and responsive relationships. This positive guidance approach supports the needs of each child, which helps them to develop a sense of autonomy and take responsibility for their behaviour.
- ❖ The purpose of our behaviour code is to:
 - Ensure the safety and security of the children and staff
 - Ensure respect for the rights and feelings of the children and staff
 - Ensure smooth running of the program
 - Ensure self- management on the part of the child
- ❖ To achieve these goals the Bucasia OSHC Educators:
 - Aim to be consistent,
 - Reinforce positive behaviors (with verbal encouragement)
 - Follow through with clear expectations of the school and OSHC community
 - Ensure that rules and consequences are known and understood by the children, staff and families using ongoing discussion and review
 - Encourage children to seek support
 - Seek family support for our strategies by ensuring that upon enrolment, families are informed of all procedures

Child Code of Conduct

- We do not use inappropriate words

❖ The aim of Bucasia OSHC is to provide a safe and enjoyable place where children have positive experiences during their stay. An environment that minimises the potential for frustration and/ or conflict. We believe that children require guidance as to what TO do, instead of what NOT to do. We endeavour to manage behaviours through a support model which includes efficient supervision, effective role modelling and redirecting children to other activities.

❖ Please note that if there are any factors that may affect the behaviours of your child/ren (problems at home/ school/ health considerations etc) it is very helpful to let an educator know so that we can modify our expectations and the way we manage these situations. However, it is necessary to provide consequences to children when appropriate.

❖ A child may be suspended from the program if unsatisfactory behaviours threaten the safety or wellbeing of any child or person in the service. Bucasia OSHC has the right to refuse children whose behaviours consistently impair the safety of the other children and staff.

❖ If damage is done which can attributed to a malicious or intentional act on the part of the child, it will become an expense to the parent/ guardian.

❖ We will not tolerate bullying at any time for any reason.

❖ If bullying occurs parents/ guardians will be contacted immediately. The child will be given one warning however the service will work with the family, child, and school support staff to support all children involved.

❖ If a second offence occurs a written letter will be issued.

❖ A third event will result in the child being dismissed from the service. If a malicious act is carried out a child can be suspended immediately, and a written report will be given to parents/ guardians and the Management Committee/ Principal.

School Rules

- ❖ At Bucasia OSHC we follow the Bucasia State School rules with regards to playground accessibility. No climbing trees, and no children to wander around the school grounds unaccompanied.

- ❖ All incidents are reported to the Management Committee/ Principal to ensure open communication and to provide continuity in behavioural expectations.

Safety and Emergencies

- ❖ For the protection of all children and our team, Bucasia OSHC ensure that all equipment, facilities, and premises are safe and clean. All equipment purchased complies with relevant Australian standards and is checked regularly to ensure it remains in good working order to avoid injury. Outside equipment is checked regularly and anything broken or dangerous is removed.
- ❖ The Co-Ordinator ensures that all poisons are marked in their original containers and kept locked away from children. All medications are accessible to staff but not children. The first aid kit is checked regularly and accessible for staff to obtain quickly.
- ❖ All records, confidential information and all materials required by legislation contain up to date information to ensure safety and quality of care. Children are made aware of the appropriate action in case of fire or other emergency procedures. The evacuation plan is situated near the entrance. We ask that all parents/guardians, Educators, and children familiarise themselves with it. Regular evacuation practices give the children the opportunity to become familiar with the routine and procedures.

Accident Procedure

- ❖ The service actively strives to avoid injuries occurring at the service and to minimise the impact of injuries and illnesses by responding appropriately and as quickly as possible. The rights and responsibilities of parents with respect to injuries and illnesses of their children is acknowledged and will be considered in administering all procedures.
- ❖ When a minor accident occurs, staff qualified in First Aid will:
 - Assess the injury
 - Attend to the injured child and administer first aid
 - Contact the parent (depending on the nature of the injury) If the parent is not contacted at the time of the injury they will be informed when they arrive to collect their child.

Code of Conduct and Responsibilities cont...

Accident Procedure cont...

- ❖ When a serious injury occurs which requires more than first aid, the Coordinator or the Educator on duty will:
 - Assess the injury
 - Attend to the injured child and administer first aid
 - Seek further medical attention, which may include calling an ambulance
 - Will contact the parents/guardians regarding the child's condition. If contact cannot be made and it is necessary to seek medical attention immediately, an ambulance will be called, and the child will be taken to hospital. Please ensure emergency contacts are updated on enrolment forms regularly.

- ❖ Any accident sustained by a child is investigated, recorded and dated. This documentation is filled in by the Coordinator or Educator on duty who witnessed the accident or incident. The information contained in the report will not be used for any other purpose, in accordance with the injury and illness policies of the service.

Administering medications

- ❖ In the interests of health and wellbeing of the children, Bucasia OSHC will only permit medications to be given to a child if:
 - A medical practitioner prescribes the medication.
 - The medicine is directed in writing by the medical practitioner to be administered during operational hours.
 - The medication is in the original container and pharmaceutical label stating the child's name, complete instructions, and dosage details, on both packaging and medication container/packet.

- ❖ A medication form must be completed by parents/guardians when the need for medication arises.

- ❖ Separate forms are to be completed for children with anaphylaxis, Asthma, Diabetes and/or any other diagnosed medical condition. If a child has a severe reaction or other illness in which timing is vital, medical management plans and risk minimisation plans must be developed between the Service, parents/guardians, and health professional to ensure immediate action in the case of an emergency event. Please ensure the Service is aware of this by detailing on enrolment form and discussing with our Coordinator.

Anaphylaxis

Educators are educated to recognize the symptoms and react quickly and decisively to treat anaphylaxis. A medical action plan for individual children is displayed and Educators attend regular training. Bucasia OSHC caters for all individual needs, including food requirements. We are a nut aware service, food with nuts will not be served to children with intolerances.

Illness

The wellbeing of children, Educators and families who attend Bucasia OSHC is of the highest priority. We ask for your cooperation in helping us safeguard the health of the Bucasia OSHC community and prevent the spread of infection by keeping your child home until he/she is fully recovered from an illness. If your child becomes unwell whilst attending our Service, the family and/or emergency contacts will be notified to collect them as soon as possible if the Co-Ordinator deems necessary. Your child will be cared for and comforted whilst awaiting pick up.

Code of Conduct and Responsibilities cont...

Infectious Diseases

❖ Bucasia OSHC strives to remove immediate and/or serious risks to the health of the children from possible cross infections by adopting appropriate procedures for dealing with infectious diseases whilst respecting the rights of individual privacy. Accordingly, all people including children, Educators and families with infectious conditions will be excluded from attending the Service. This is for the safety and wellbeing of the other children and staff as well as your child. Re-inclusion will be considered after consultation with and recommendations from the Department of Health. When the service is made aware of an infectious disease, families are notified and directed to the Coordinator/Educators if they require further information.

Nutrition and Menu

❖ We recognise the importance of a well-balanced diet and support educators and families to provide food of high nutritional value. Children will always have access to safe drinking water. Please remember to inform the Coordinator if your child has any food allergies or has a special diet, including religious or cultural.

❖ Bucasia OSHC provides breakfast and afternoon tea during school terms and vacation care. Additionally, we provide morning tea during vacation care.

❖ Families are required to provide lunch during periods of vacation care.

❖ Our weekly menu for breakfast, afternoon tea and all foods provided during vacation care is displayed on the kitchen notice board. Please see our Policies and Procedures Manual for further information regarding nutrition.

❖ All food preparation on the premises is carried out within the guidelines set down in the National Food Safety Standards.

Sun Safety

❖ The purpose of a Sun Safety policy is to ensure that all children, Educators, and visitors clothing are appropriate for our climate and protect as much skin as possible. Families are asked to provide covered shoes and a broad-brimmed SunSmart hat which will be always worn when playing outside. No caps, please.

❖ Families are asked to apply sunscreen before arriving at our service. Educators will ensure that SPF 30+ broad-spectrum sunscreen is applied 20 minutes before going outdoors and reapplied every 2 hours.

Cyclone Procedure

Procedure for early morning of a Vacation Care Day:

An announcement on whether the vacation care program will be open on the day, or day after a cyclone will be made via text message as well as on radio stations; Triple M, Star FM, Hit FM, 4MK, ABC Tropical North during that morning.

If the radio indicates a general closure, then our school and Vacation Care program will be closed. However, if the official position is to open, but there are special circumstances why our Service wouldn't open, an announcement will be made on the above radio stations.

Special circumstances may include:

- Power lines down - where this represents an immediate threat to children's health or safety in the actual school or the immediate area
- School/ Service has no access to water
- Structural damage to buildings

If the official position is to open the Vacation Care program, families should still make their own judgements on whether it is safe to send their children on the day.

Procedure during a School Day:

If conditions change during a school day, and the above-mentioned radio stations broadcast a message to notify parents that school is closing, the Bucasia OSHC After School program will not be operating under these circumstances.

Family's Grievance Procedure

❖ Bucasia OSHC has a commitment to quality improvement and promotes an organisational culture that is responsive to grievances. In the first instance the grievance should be taken to the Co-Ordinator (if in relation to the service or care), who will attempt to reach a resolution with all parties concerned.

❖ The Co-Ordinator will seek to resolve all genuine and reasonable complaints in the most appropriate way with consultation with the complainant. These discussions will not take place in times of operation to avoid disruption to children within the service. The coordinator will promptly log all complaints, the records of relevant discussions and the resolution of the complaint. A copy will be provided to the complainant on request.

❖ If unresolved, the grievance should then be taken onto the P&C as per the grievance policy outlined in the Policies and Procedures Manual

❖ If still unresolved, the grievance can then be taken to the principal.

The P&C and Service Coordinator are also in constant contact with the principal and will communicate issues where required.

The service will provide an 'arena' which allows for a grievance to be heard in a fair and impartial manner.

Family Handbook Declaration of Terms

- I have received the Family Handbook information (download from Bucasia State School Website)
- I understand it is my responsibility as parent/guardian to apply to Centrelink for Child Care Benefit, and the Service will not be able to apply CCs to my fees until this process has been completed.
- I agree to make regular payments and will not let my account go over \$250.00
- I agree to abide by the Bucasia OSHC School Age Care Service Policies and Procedures located in a Manual in the parent sign in area.
- I have completed the Enrolment form honestly and to the best of my knowledge. I understand I must contact the service immediately if information on this form changes.
- I have read and understand all the information in the family handbook. I have asked the educators about any of the information that I was unsure of or wanted to know more.
- I have had the opportunity to have an interview with the Co-Ordinator to discuss my child's enrolment and attendance at the Service. I am satisfied that the interview, which included the opportunity for me to view the Service whilst operating, allowed me to express any concerns and voice any questions.
- I **DO NOT** wish for my child's image to be used for social media and Advertising purposes, to be used in the Newsletters or to be on display at OSHC
