Our school initiatives are on track to meet or exceed our targets

During 2020, we focused on maximising the benefits of this funding for our students. After reviewing our *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Creating of professional learning teams (Year Level & Whole School) and access to expert knowledge to improve teacher ability to identify the reading and writing demands of the Australian Curriculum.
- Developing teacher knowledge and understanding of the P-10 Australian Curriculum to engage in robust moderation processes (4 stages) within our school and beyond.
- Increasing teacher capability around HITs (High Impact Teaching Strategies, including Watching Others Work and coaching.
- Refining effective school processes, including case management and teacher efficacy following the High Performing Teams model.
- Continue to engage with government and community resources to support families to engage with school and their child's education with a focus on transitions to and from primary school.
